

Senior DP Analyst

Job Description

Accent is an independent full-service research agency with offices in west London and Edinburgh. We offer the full range of qualitative and quantitative approaches to our high-profile clients and we are market leaders in the use of a range of innovative research solutions including stated preference, a powerful form of conjoint research.

We have been in business for 30 years and are one of the UK's leading agencies in a number of challenging market sectors: utilities, transport, environment, post, government, healthcare and financial services.

At Accent, every member of the team has the opportunity to work on a variety of projects and proposals, creating an interesting, challenging and rewarding working environment where the ongoing exchange of ideas is actively encouraged.

We are looking for a Senior Data Processing Analyst with at least three years' experience to join the friendly and hard-working team in our London office.

The successful candidate will have:

- advanced experience of using **SPSS** (preferably v23 onwards)
- experience of macro and script writing in SPSS
- experience of Excel to an advanced level with the ability to write macros
- advanced level knowledge of Microsoft Access
- knowledge and some experience of Python
- Javascript programming experience
- Visual Basic programming
- HTML5/CSS coding is very beneficial
- Scripting questionnaires for quantitative surveys.

Reporting to the DP Director the role will involve:

- Analysis:
 - sample de-duping, cleansing and management using advanced Excel skills
 - preparing data specifications / **writing** SPSS syntax
 - undertaking analysis of data using SPSS and other software packages (usually to tight deadlines)
 - performing statistical tests on data
 - regression and other multivariate analyses, like cluster and factor analyses
 - scripting questionnaires for telephone interviewing, field interviewing and online surveys (Accent uses its own proprietary ACCIS software)
 - liaison with Project Managers.
- Other:
 - undertaking any other data processing tasks as and when required.
 - providing support on systems and loading tablets/laptops when the IT Department needs assistance.

Working at Accent will give you the opportunity to develop your research skills and experience at first hand all elements of agency working.

Benefits include:

- 25 days leave per year plus additional service-related leave to a maximum of 30 days
- additional half day's leave at Christmas (company holiday)
- company contributory pension scheme
- cycle to work scheme
- training.

It is Accent's policy not to discriminate on the grounds of age, sex, sexual orientation, gender reassignment, marital status/civil partnership status, pregnancy/maternity, race, religion or belief, or disability.

Salary negotiable and based on experience.

To apply: please email your CV and a one page covering letter to deevya.chudasama@accent-mr.com
